Glenrock Gardens is an award-winning country garden set in the high country of New England in the historic and pretty town of Tenterfield, NSW, Australia. It is the perfect venue for all events including weddings, workshops and garden tours and is spectacular in all of the four well-defined seasons. The 10-acre gardens were voted the Best Australian Garden by the viewers and readers of Better Homes and Gardens in 2006. They are incorporated within a working farm and although the gardens are very much designed in the English-style with dry stone rock walls throughout, they are also surrounded and interspersed with iconic Australian bushland.

What to bring

Remember to bring an umbrella (if inclement weather), something warm in the late afternoons in Autumn, a hat (although there is plenty of shade) and preferably, closed-in shoes.

Facilities

A restroom is available, but there is no cafe on site. Catering can be arranged if required for larger groups and BYO picnics are always fun! Due to the size of the garden, a duration of 1 to 2 hours is recommended. A 4-seater electric buggy is also available for use for the less mobile. An electric vehicle charging station and a church/hall coming soon. Check the website!

Cost

Cost is \$15 per head. No Eftpos facilities are available. -cash only. Morning or afternoon tea, including a selection of home baked goodies (gluten free available) and tea/coffee, can also be provided for an extra \$5 per head (groups only) and lunch (gourmet sandwiches with gluten free/vegetarian options) for \$10 per person.
