

THE UPPER Clarence

East and north east of Tenterfield the land falls from the Great Dividing Range down through the forest clad foothills to the upper reaches of the Clarence River. This area features a great diversity of animals, birds, vegetation and 11 National Parks with eucalyptus forests and rainforests. Access to this fascinating area from Tenterfield is via the Bruxner Highway. Pass through the gold mining village of Drake, and the extinct volcanic area around Urberville. Try the amazing adventure parks with canoeing, 4WD driving, bushwalking, fossicking & birdwatching. Camping, farm-stay and hotel accommodation are all available...

So what are you waiting for?
